DEPARTMENT
Date 20-7-50
Serial No. 33502

This is for U.O.R.

Finance Department (E).

Shri. B.B.Kelgeri, Senior Accounts clerk of the Irrigation Projects Division(South), Dharwar, has applied for an advance of Rs.1,200/- for building a house as the building site has already been granted to him through the Backward Class Officer about 12 years back on nominal price.

2. No advance shall exceed twelve months pay of the Govt. servant to whom it is made, vide rule 294IV of F.P.No.I. In the present case, Shri. Kelgeri's pay is not stated, however, it is presumed that his pay is not less than Rs.100/- p.m. The attention of the P.W.D. may be drawn to Fin. Rule 294(a)-I which states that no advance is ordinarily permissible to a Govt. servant who is likely to be transferred or to retire before complete recovery can be effected. It is, therefore, presumed that the P.W.D. is satisfied that Shri. K. is not likely to be transferred from Dharwar before the complete repayment of the loan.

3. The advance should be drawn by instalments, the amount of each instalment being such as is likely to be required for expenditure in the next three months.

4. F.R.293-A(I) states that no advance should be sanctioned unless a certificate to the effect that there is sufficient balance available for expenditure is obtained from the Audit Officer. The A.G. in the present case has certified that funds are not available during the current financial year for the payment of an advance of Rs.1,200/- to Shri. Kelgeri. However, funds will be provided in the revised estimate if the advance is sanctioned.

2896/48 —
66060

5. The advance will bear an interest at 4 per cent. and will be repayable in 48 monthly instalments, the repayment commencing from the fourth issue of pay after the first instalment is taken.

6. A mortgage bond in the prescribed form may be executed. In this connection attention of the P.W.D. may be invited to the provisions of F.R.294(a)VI and X and notes below them regarding title to and interest in the land and the property and that Deptt. may be requested to see that the requirements of these provisions are satisfied before the advance is actually paid.

Rec No. 9-6-50 G-3

Subject:- House building advance to B.B.Kelgeri, Clerk.

Sir,

With reference to your endorsement No.G-3 of 22-5-1950 below the Accountant General, Bombay's No.TM.8/513 of 13-5-1950, I beg to put forth before your honour the following few lines for favour of sympathetic consideration.

2. As to my bad luck, I am receiving negative replies from the Accountant General, Bombay, regarding availability of funds for house building advance for the last two years, but I am thankful to him at the same time for his having suggested the other way of getting the funds i.e. to approach Government.

3. In this connection, I beg to bring to your kind notice that Government have kept aside a big amount in crores for the purpose of providing houses for the Harijans in their Post War Reconstruction Scheme -(presumably scheme No. 219 ~~123~~) They are calling for applications every year from the members of the Harijan Community for the grant of building sites and house building loans, through the Housing Cooperative Societies to be formed and established by the Harijan members themselves, and through Collector of the District concerned. This is as regards the procedure to be followed by the private Harijan members who require house building loans, but as I am a Government servant, I will have to approach the Sanctioning authority through proper channel. Secondly, your honour is aware that I have been granted already the building site by the Government through the Backward Class Officer about 12 years back on nominal price and further developments, losses, etc., have been furnished in detail in my application dated the 9th February 1949 copy of which submitted to you through the Executive Engineer, Irrigation Projects Division (South), Dharwar, as an accompaniment to my fresh application of 14-4-1950.

4. Sir, considering the heavy losses sustained by me in the past, and regular thefts of materials purchased and stacked on site, previously, and the long period of 12 years, I humbly request your honour to kindly approach Government for provision of funds as suggested by Accountant General, Bombay, in his letter referred to above and sanction the advance requested for and save me from further losses in these hard days.

For which act of kindness, I shall ever remain grateful and pray for your honour's long life and prosperity.

Yours faithfully,

Dharwar,
